Product description

The Nanaimo short sleeve women's t-shirt made of 160 g/m² cotton is perfect for any occasion and a comfortable addition to any wardrobe. The ringspun cotton provides a stronger and smoother yarn, resulting in a more durable fabric that guarantees high quality branding. It is shaped for a feminine look and has side seams to ensure a great fit, while the printed in-neck Elevate branding adds to its overall comfort. The re-enforced shoulders also ensure a continuous fit even after long-term use.
